What's New:

Constantly trying to bring you ideas and inspire your next steps in the flair world, we are now working on a new Youtube series of short videos with the community in London. This project has been created by bartenders for bartenders, trying to bring and inspire more creativity in our industry while sharing our love for Flair.

And the first video is attached in preview just for you!

We will of course announce everything once ready on our social platform.

Stay Tuned!

Discount Codes:

Every year we partner with bartenders to offer you the best deals. They will share regularly their link for you to access a 10% discount on your purchase through our website.

Thanks for being part of the community
